

# Chapel Hill Friends Meeting

## Newsletter

### Sixth Month, 2018

**Monthly Query:** *How do I balance aspects of my life with the time and energy needed for my spiritual growth and service?*

#### Monthly Worship Tip from the M&W Committee

*Be sure to allow adequate time between spoken messages in meeting for worship, so that they may settle in the silence and be truly absorbed. In general, Friends counsel against speaking more than once in a meeting*

#### Upcoming Forum Schedule –

**June 3 – Meeting for Worship with Attention to Graduation**, led by Finn James, CHFM teens and John Hite

**June 10 - Friendly Summer Perusals.** Have you read something recently that you think others would enjoy - a book, a magazine, a blog, a website? Come ready to share what inspires you! Moderator: Carolyn White

***There will be no Fora over the summer. Fora will start again on August 24th.***

#### Peralta Family Update

The good news is that the Peralta family has moved into a smaller, cheaper apt, and will be OK for awhile, thanks to those who contributed to the website set up by an AFSC community organizer. Maria finished her college semester and might be able to work for AFSC on immigration support this summer. However, there is almost no hope to save her father from deportation. For those who are lead to contribute to the fund [which has a goal of 12K, and stands at about \$7400] the website is <https://www.youcaring.com/mariaperalta-1165901>

#### Carpool to FGC in July ??

Ruth Zalph shares with Friends:

I would like to carpool to FGC in July. If you or someone you know is driving please contact me. Ruth Zalph, 919-918-3424 or 919-758-5517.

#### Meeting for Worship with Attention to Business (MWAB) 20 May, 2018

**Attendance:** Alice Carlton, Dave Curtin, David Schneider, Jake Kost, Deborah Gibbs, Karen Hurka-Richardson, Jeff Brown, Ric Sheperd, Carolyn White, Ann Miller, Emilie Condon, Curt Torrell, John Hite, Wendy Michener, Asta Crowe, Richard Miller, Tom McQuiston, K. Love, Chris Stanley, Faye Stanley, Carolyn Stuart, Dottie Heninger, Kitty Bergel, Riley Robinson, Jan Hutton, Don Hopper, Lloyd Kramer, Lois Ann Hobbs, Ruth Zalph, Lynn Drake, Hank Elkins, Buffie Webber, Matt Drake, Jennifer Leeman, Kurt Hein, Winifred J. Simmons, Bob Simmons, Gwynne Pomeroy

1. We opened with worship and the query: "How do I present a loving example to others when faced with conflict?"
2. We welcomed two first time attenders. Matt introduced Riley Robinson who is traveling to Meetings on behalf of the Friends Committee for National Legislation. We also welcomed Jake Kost.

3. Maura Murphy, Treasurer, presented the proposed 2018-2019 budget on behalf of the Finance Committee (attached). She noted that the committee has taken a new approach to setting committee budgets for the year. Because of an historic tendency for committees to ask for more than they actually spent, Finance asked committees to look at their past year's spending as an initial guide to how much they will need for the coming year. As a result of this new approach, next year's proposed budget is almost \$3,000 less than the prior year. We held approval of the budget over for final consideration at the June MWAB.

**4. The minutes of the April 15, 2018 were accepted as printed in the newsletter.**

5. Don Hopper, Committee Clerk, requested approval for Buildings and Grounds Committee's recommendation that we build a dedicated ADA compliant parking space and create a wheelchair appropriate sidewalk from it to the meetinghouse. This work can be done this summer at a cost of \$4,741. Approval for this work is being requested separately from paving the parking lot because the two jobs involve different contractors and need to be performed independently. **The Meeting approved building a dedicated ADA compliant parking space and creating a wheelchair appropriate sidewalk from it to the meetinghouse with the work to be done this summer at a cost of \$4,741, and with the funds to come from the Meeting's reserves.**

6. Hank Elkins, Committee Member, presented Peace and Justice Committee's recommendations for the Meeting's 2017-2018 benevolences, totaling \$24,420 to 15 benevolences (attached). Matt reminded the Meeting that Tom Munk presented a full overview of the process that resulted in the selection of these benevolences, in addition to the list of benevolences, at last month's MWAB with the decision to approve held over until this month. Benevolences were selected on the criteria of "Quaker-affiliated or local organizations that reflect our Meeting's values and with which members of the Meeting are closely involved." Lloyd Kramer spoke as a member of the adhoc group that discerned the final list, noting that there are many worthy organizations and therefore it is important to apply criteria to discern the ones our Meeting will support. **We approved the fifteen recommended 2017-2018 Meeting Peace and Justice Committee recommended benevolences totaling \$24,420 with thanks to Peace and Justice and the individuals who served on the adhoc committee.** Richard Miller reported that he is assembling a binder of materials related to each benevolence to be kept in the library. He asked that Friends share materials they have about the benevolences and he will include them in the binder.

7. Don Hopper, Committee Clerk, requested approval for Buildings and Grounds Committee's recommendation for the following improvements to the meeting room: that we remove the carpet and pad, clean and repair the subfloor, remove the corner air duct, remove the ceiling tiles, and "fair up" the remaining ceiling sheetrock in June. This work would be done by members of the Buildings and Grounds Committee and other Meeting volunteers with professional assistance on the subfloor repair. Don provided a sample of what the initial flooring will look like. The costs are estimated to be about \$1,500 and will be covered by the renovations fund. We will then worship in an unfinished meeting room for the next several months while we come to unity on and install a finished ceiling and floor. The work may or may not involve moving the benches and chairs to the schoolhouse and holding Meeting for Worship in the schoolhouse during the project. **We approved the recommendation to remove the meeting room carpet and pad, clean and repair the subfloor, remove the corner air duct, remove the ceiling tiles, and "fair up" the remaining ceiling sheetrock in June at a cost of approximately \$1,500 with appreciation to Don Hopper and the Buildings and Grounds Committee.** Tom McQuiston, whose professional career involved worker safety, emphasized the importance of assuring the safety of volunteers involved in removing the ceiling tiles.

8. Gwynne Pomeroy, Committee Co-clerk, presented Nominations Committee's recommended list of Meeting officers, appointees, and committee members (see attached). Friends suggested corrections to the report, which Gwynne will incorporate into the list to be presented next month for final consideration at the June MWAB. Gwynne noted that vacancies still need to be filled for Quaker House, Finance, and Publications and Communications. Friends thanked Gwynne and the committee for their excellent work.

9. Matt Drake reported that Claire Bates received the award of a Clarence and Lilly Pickett Endowment for Quaker Leadership grant and recommend approval of a Memorandum of Understanding (MOA) between Chapel Hill Friends Meeting and Claire Bates regarding administration of the grant. The MOA notes that "The purpose of the Pickett

Endowment grant to Claire is for the research, development, and piloting of a dialogue method bringing together war-impacted people (refugees, military veterans and families, concerned community members, and peace activists) to learn from one another's experiences and develop together informed and engaged antiwar activism efforts." The MOA includes a Care & Counsel support committee for Claire whose members are Jan Hutton, Curt Torell, Tom Ludlow, Alice Carlton, Dave Curtin, and Claire's sister, Elizabeth. The MOA also describes the Finance Committee's administration of the grant with disbursement and accounting by the Meeting Treasurer, Maura Murphy, working with the project treasurer, Tom Ludlow. Gratitude was expressed to Tom Ludlow for orchestrating the specifics of the MOU and management of the award. **We celebrated the award of the Clarence and Lilly Pickett Endowment for Quaker Leadership grant to Claire Bates and approved the Memorandum of Understanding between our Meeting and Claire regarding administration of the grant.**

10. Don Hopper, Committee Clerk, presented the Building and Grounds Committee's recommendation that we re-surface and re-stripe the parking lot this summer in partnership with Carolina Friends School (CFS) at a cost to the Meeting of \$7,250. The project is expected to take three days. Following questions raised when this was presented last month, Hank Elkins and Don Hopper researched the possibility of installing a semi-pervious surface, including Don calling the individual responsible for the semi-pervious surface at the Botanical Garden. They learned that when a lot's grade is over 5%, semi-pervious surfaces are problematic. We have about 13% grade, which makes a semi-pervious surface unfeasible. A Friend raised a question about the existing drainage, which will be discussed further in Buildings and Grounds. Another Friend suggested we re-look at the 50% to 50% sharing maintaining the parking lot with the Friends School, given the fact that we charge them minimal rent. **Friends approved re-surfacing and re-stripping the parking lot with asphalt in partnership with Carolina Friends School this summer for \$14,500, with us paying 50% and CFS paying 50%. We also approved having Finance Committee start a discussion about our contract with CFS in preparation for its renewal in four years.**

11. Jan Hutton, Committee Co-clerk, presented the Ministry and Worship Committee's recommendation for the following benevolences for 2017-2018: \$600 for Friends General Conference (FGC), \$150 for Friends Journal and \$50 for QuakerSpeak, \$350 for Piedmont Friends Fellowship (PFF)/Piedmont Friends Yearly Meeting (PFYM), \$150 for School of the Spirit, and \$100 for Lesbian, Gay, Bisexual, Transgender and Queer Friends Concerns (FLGBTQ-C). **The Meeting approved Ministry and Worship's recommended benevolences totaling \$1,400 for 2017-2018.**

12. Curt Torell, proposed two minutes in support of Casey Webber (attached), a young man who grew up in our Meeting who is potentially facing decades in prison on felony charges for planning and being present at protests on the Inauguration Day of Donald Trump. The trial is currently under way. Tom Munk will serve as a character witness for Casey. The minutes will be sent to Casey's lawyer and to Tom Munk with the hope that they can use them to make a case for Casey's long history of working for peace within the bounds of the law. *Consider.* **The Meeting approved the two minutes and approved sending them to Casey's defense attorney and to Tom Munk for whatever use they may make of them.**

13. Matt called attention to the forums, Casey's trial, and FGC Summer Gathering announcements listed in the agenda.

14. We closed with worship.

## Juneteenth Celebration

Snow Camp Outdoor Drama Society, producer since 1974 of two Quaker-inspired outdoor dramas, "The Sword of Peace." and "Pathway to Freedom," depicting the work of Carolina Quakers and others in the American Revolution and, later, aiding enslaved blacks seeking freedom through the Underground Railroad.

"We have had setbacks this year, but we are in a recovery/rebuilding mode, aiming to resume the plays in 2019. We are grateful for CHFMs support, and hope you will keep us in mind in the months to come. We are also planning a number of events for the Drama site during this coming year. The first of these, a "Juneteenth" performance on June 16, is described in the attached poster. That event is FREE and CHFMs Friends are invited" Chuck Fager, Board President - Snow Camp Outdoor Drama Society

**Meeting Minute on Casey Webber’s Connection to and Support from Chapel Hill Friends Meeting:**

Casey Webber grew up in the Chapel Hill Meeting of the Religious Society of Friends (Quakers). We believe that every human being is a child of God with a measure of God's Light. We believe that war and other instruments of violence and oppression ignore this reality and violate our relation with God. We are advised to live in the virtue of that life and power that takes away the occasion of all wars. We seek to live a life of peace and to practice non-violent responses to conflict. These are the kinds of beliefs we taught Casey. We are deeply grateful that he is living them. We pray for him and for all of you involved in this trial. May God's love guide your actions and decisions.

## 2018 Quakers and Business Pre-Conference at FGC

June 29, 2018 to July 1, 2018

Toledo, OH

It's not too late to register for the Quakers & Business Pre-Conference 2018. Registration is available through <https://www.fgcquaker.org/connect/gathering>. You can register for the pre-conference, even if you are not staying for the Gathering.

This year's theme: **Can Quaker Investment Heal an Unjust World?**

We will be exploring business as an agent of social change. Specifically, can we as Quaker business people bring about a more just and equitable society through sourcing and investing our capital – financial, human, social and spiritual – in meaningful ways?

We will start with Quaker stories of business and investment that illustrate how business can work as an agent of social change and how investment has made a meaningful positive impact. We will use those stories as a springboard for discussion and to develop the vocabulary and the tools needed to understand what investors are looking for when investing in a business and how to evaluate the implications of your choices as you both gather and invest the resources in your life.

Afternoon breakouts will cover such topics as:

- Key Concepts of Finance and Business - What everyone (even a Quaker) should know.
- Personal financial management that is responsible for yourself, your family, society and the earth.
- Socially Responsible Investing: what alternatives are available and prudent for individuals?

On Saturday evening, we will have a collaborative event with the Adult Young Friends and People of Color pre-conference groups, followed by a buffet supper. *Scholarships are available for the Q&B Pre-conference.*

**We hope to see you there!**
